

YO NO VOY AL COLEGIO

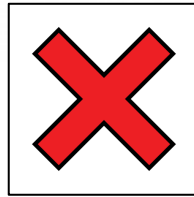

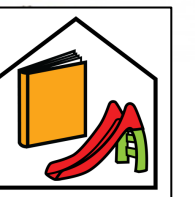

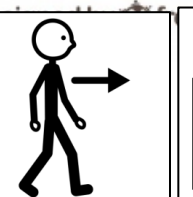

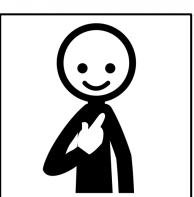

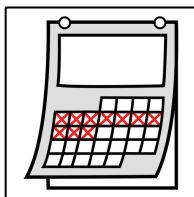

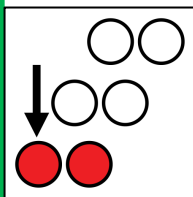

Muchas personas se están poniendo enfermas.

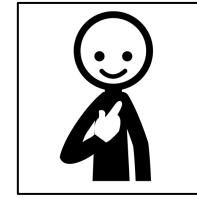

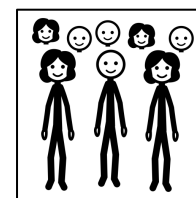

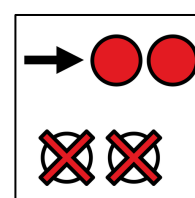

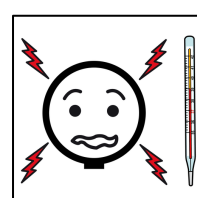

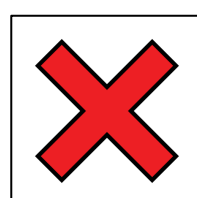

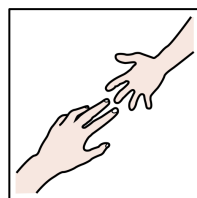

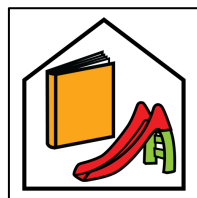

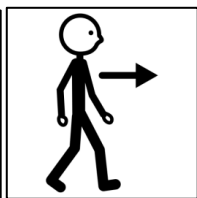

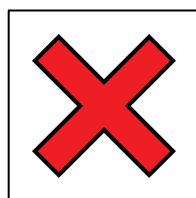

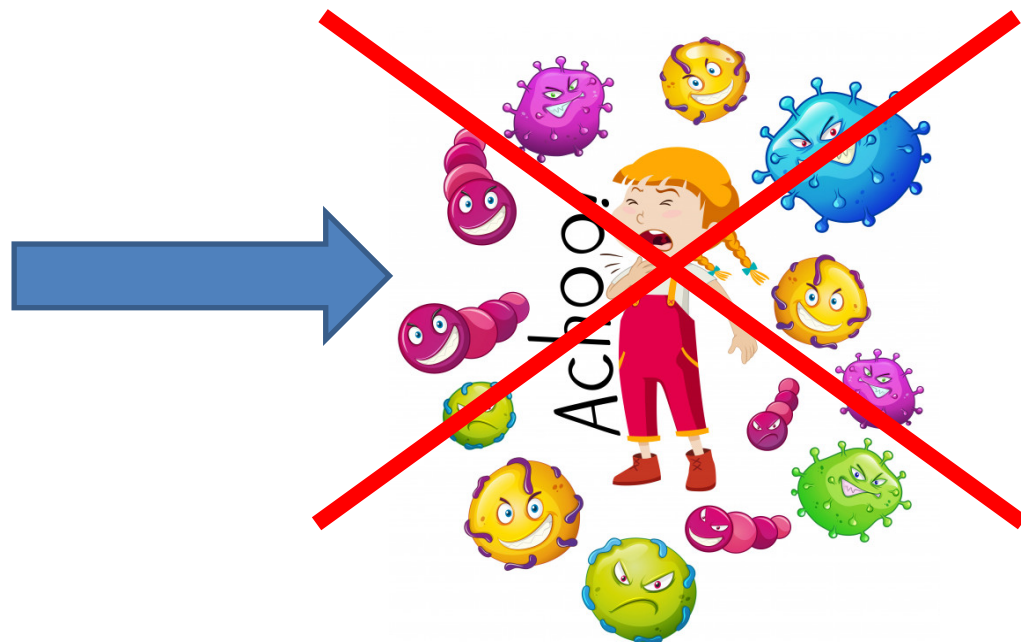

Han mandado que no vayamos al colegio.

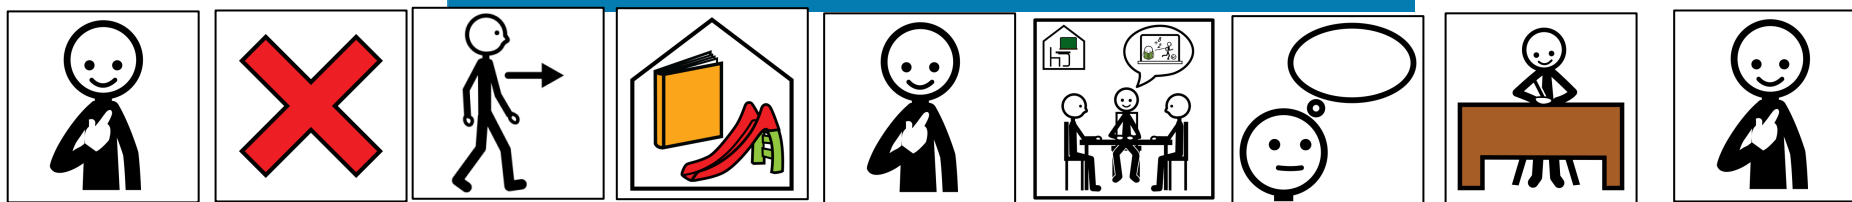

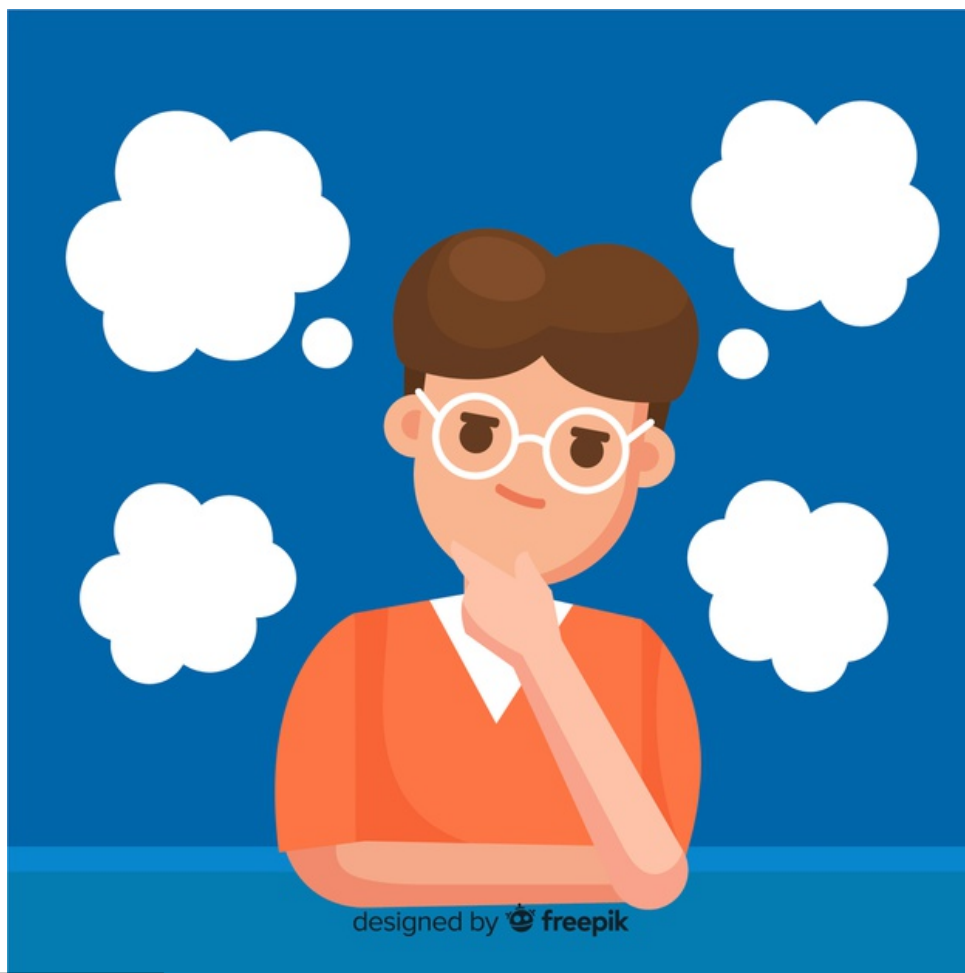

Así es más difícil que otras personas y yo nos pongamos enfermos.

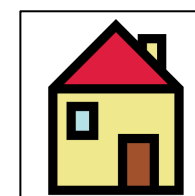

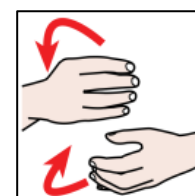

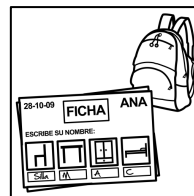

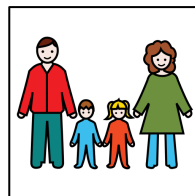

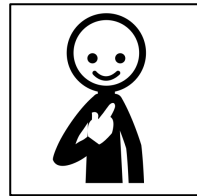

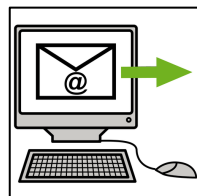

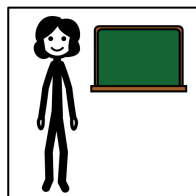

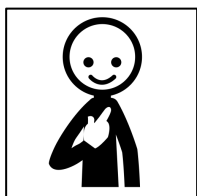

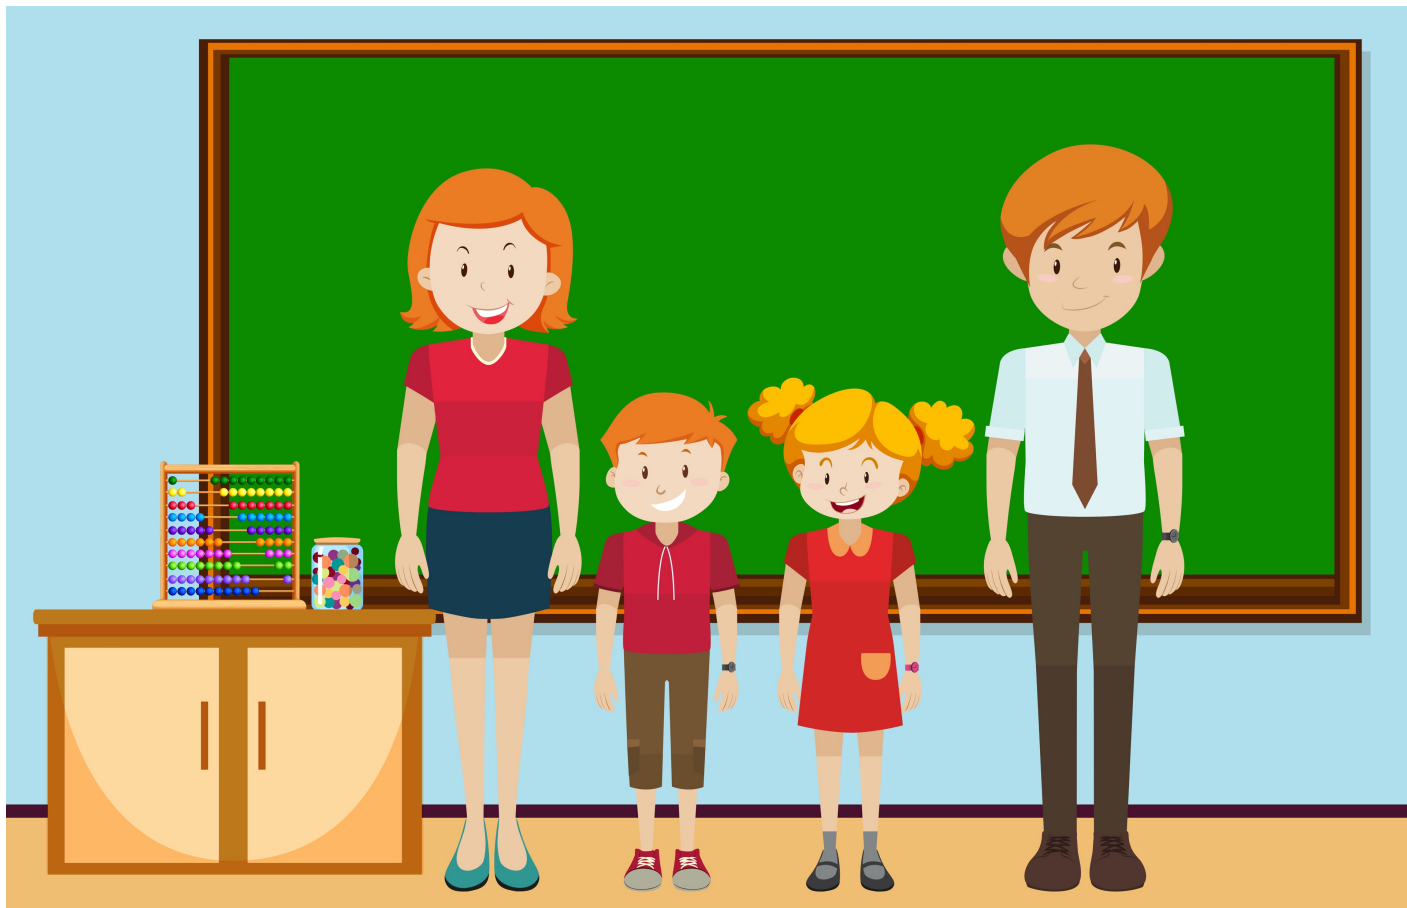

Estos días que yo no voy al colegio, no son vacaciones.

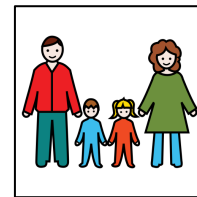

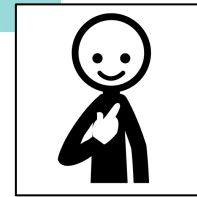

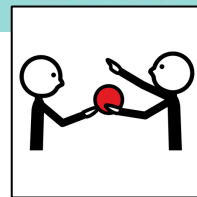

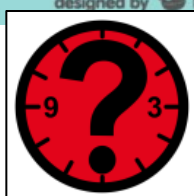

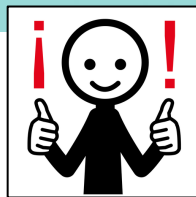

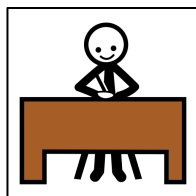

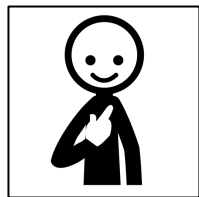

No yendo al colegio ayudamos a no ponernos enfermos otras personas y yo.

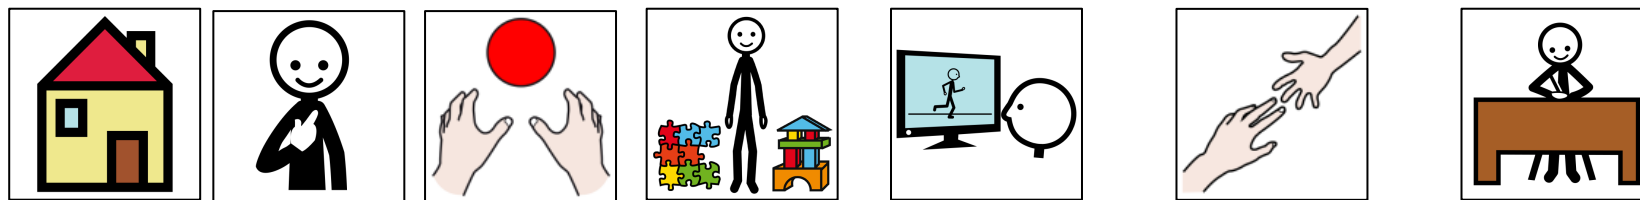

Aunque yo no vaya al colegio, mis profes piensan y trabajan para mí.

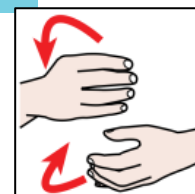

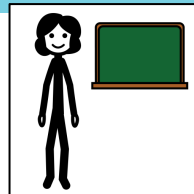

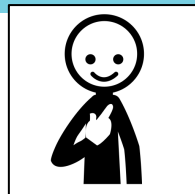

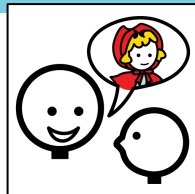

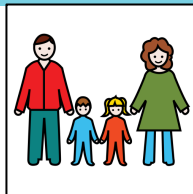

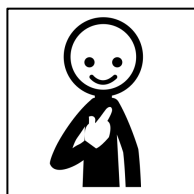

Mi profe manda a mi familia deberes para que haga en casa.

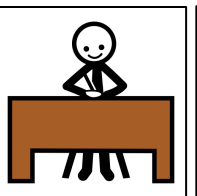

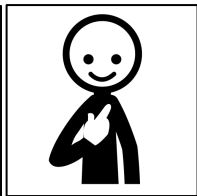

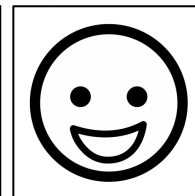

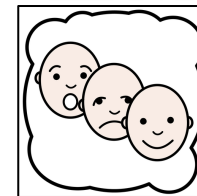

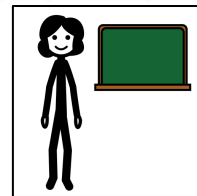

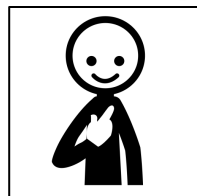

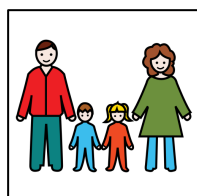

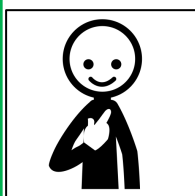

Yo trabajo muy bien cuando me lo manda mi familia.

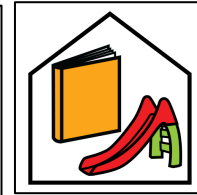

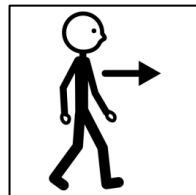

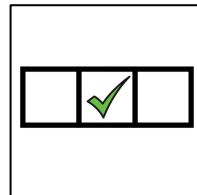

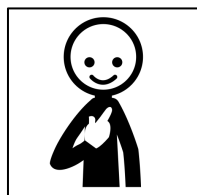

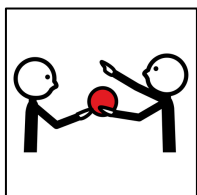

En casa, yo puedo jugar, ver la tele, ayudar y trabajar.

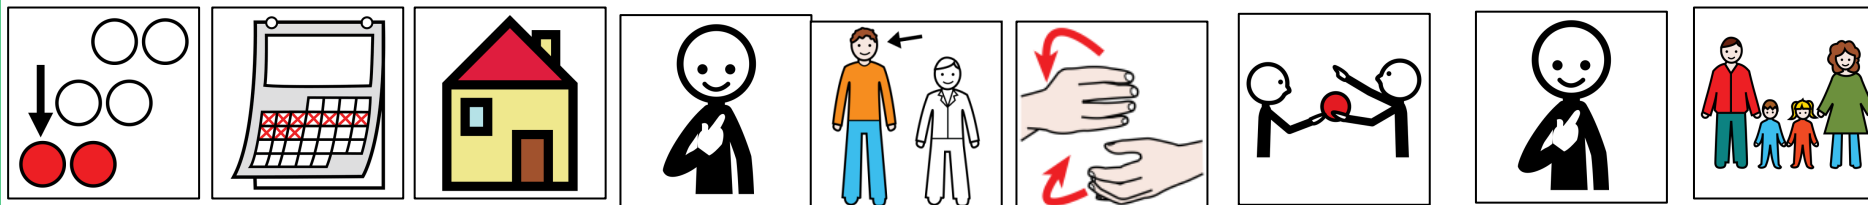

Mi familia le cuenta a mi profe lo que hago.

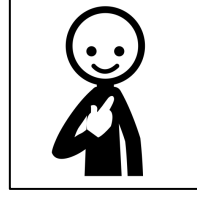

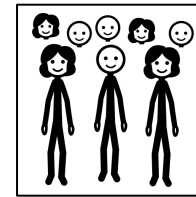

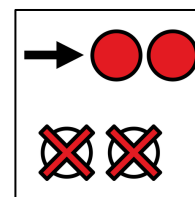

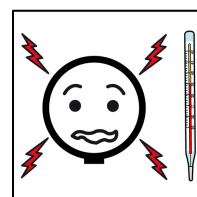

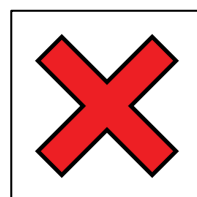

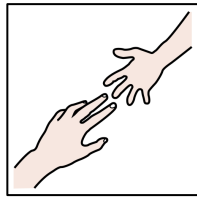

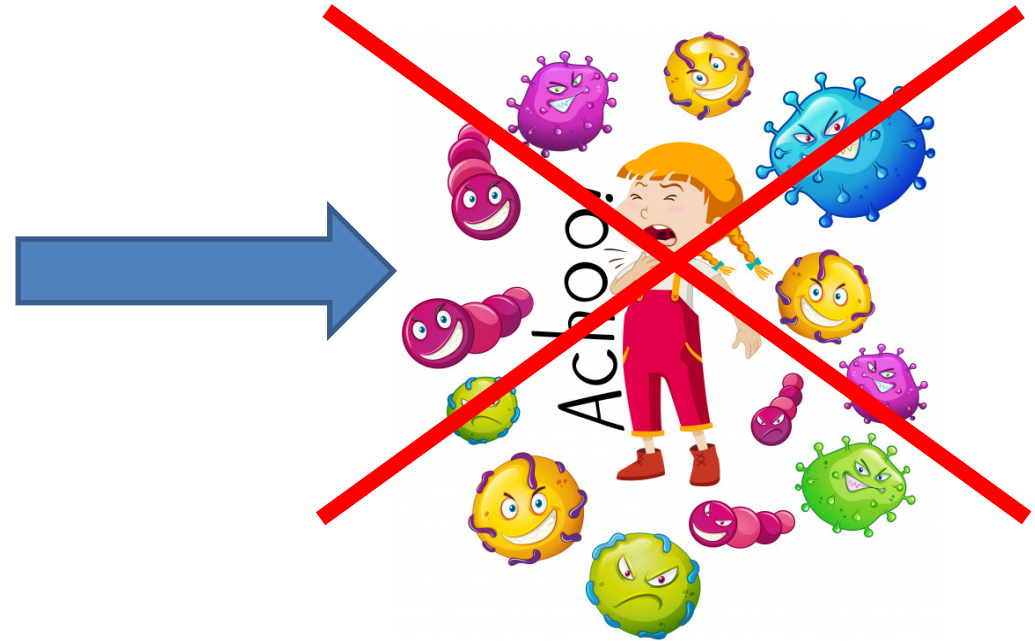

Mi familia y mi profe se ponen muy contentos cuando yo trabajo bien.

Cuando lo manden, yo otra vez iré al colegio.

Estos días en casa yo seré mayor y haré lo que diga mi familia.

No yendo al colegio ayudamos a no ponernos enfermos otras personas y yo.
